EXPERIENCE

Co-Founder & UX Designer

09/2023 - Present | Bookiea LLC | Remote

- Designed a marketing page that launched in January 2024 and attracted a waitlist of users signing up to try the MVP project.
- Follow the full lifecycle of design, from initial concepts and wireframes to user flows, interactive prototypes, and final specifications. Responsible for creating mockups, usage scenarios, task analysis, style guidelines, and other design deliverables.
- Collaborate with a 6-people team, including engineers and designers, to align and execute the project's design.

Graphic Designer

10/2023 - Present | Plaid Again, Inc. | Remote

- Work closely with clients to create and optimize graphics, illustrations, internal swag, and other visual assets for digital and print media.

Customs Declaration And Export Business Rep

04/2015 - 08/2017 | Taizhou Huangyan Huayu Toy Co., Ltd | Zhejiang

- Coordinated shipments, handled export documents, and managed foreign trade contracts, logistics, and accounts receivable.
- Increased the company's total export sales by 2 percent within the second year, acquiring 3 clients.

Customs Declaration And Export Business Rep

05/2014 - 04/2015 | RT MART International Limited | Zhejiang

- Supported the logistics manager in overseeing logistics operations, including transportation, warehousing, and distribution.
